Subject: Potential Option for California UST/LUST Visibility Project - contributing to the CalEPA LA Initiative

I went to a meeting yesterday that Deldi hosted related to the LA City CalEPA initiative focusing on the Pacoimi and Boyle Heights Neighborhoods.

We could work with the State Water Board to focus some efforts in this area to comprehensively look at the UST program including compliance, cleanup, and abandoned cases.

Steven C. Linder, P.E.

Manager, Underground Storage Tanks Program
